Richmond Beach Neighborhood Traffic Meeting
Tuesday, February 9, 2010, 7:30-9:00 pm

Richmond Beach Congregational Church - 1512 NW 195th

The City of Shoreline's Traffic Services Division, in cooperation with the Richmond Beach Community Association, is hosting a meeting to talk about efforts to develop a Neighborhood Traffic Action Plan for the Richmond Beach neighborhood.

This meeting provides residents an opportunity to learn about the planning process and identify traffic and pedestrian safety issues that they would like to see addressed in the plan. Please join us; your input will be used to shape future improvements for your neighborhood.

If you are unable to attend but have a specific concern or suggestion, please fill out the form below and return it to City of Shoreline, c/o Traffic Services; 17500 Midvale Ave N; Shoreline, WA 98133-4921; or e-mail your information to jmarek@shorelinewa.gov.

If you have any questions, please contact John Marek, Associate Traffic Engineer, at (206) 801-2432.
